What is the Saguaro Society?

The Saguaro Society is a philanthropic major giving program within the Wildcat Club dedicated to enhancing the student-athlete experience at the University of Arizona. In an ever-changing collegiate athletics landscape, the Saguaro Society will serve as a foundation for financial stability and student-athlete success. This level of annual commitment will help to fund many of our key priorities. The Saguaro Society will be composed of distinguished Wildcat Club members who make an annual philanthropic investment of \$10,000 or more, with a 5-year commitment. Based on the level of investment, members will receive exclusive access, experiences, and recognition that match their transformational impact on Arizona Athletics.

CORE VALUES

RESPECT, INTEGRITY, COMMUNITY,
EXCELLENCE, AND RESILIENCE

2025 Arizona Baseball, road to the College World Series

As we reflect on the remarkable progress across Arizona Athletics, we are deeply grateful for your unwavering support. Your belief in our mission and your commitment to our student-athletes are the foundation of every milestone we celebrate and every standard we continue to raise.

Together, we have built real momentum: not only on the fields and courts, but across every dimension of our department. Our vision is bold and clear: to become a modern model for excellence in intercollegiate athletics.

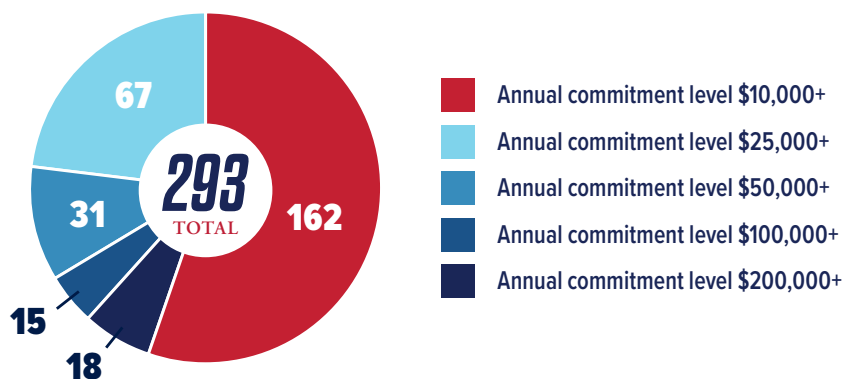

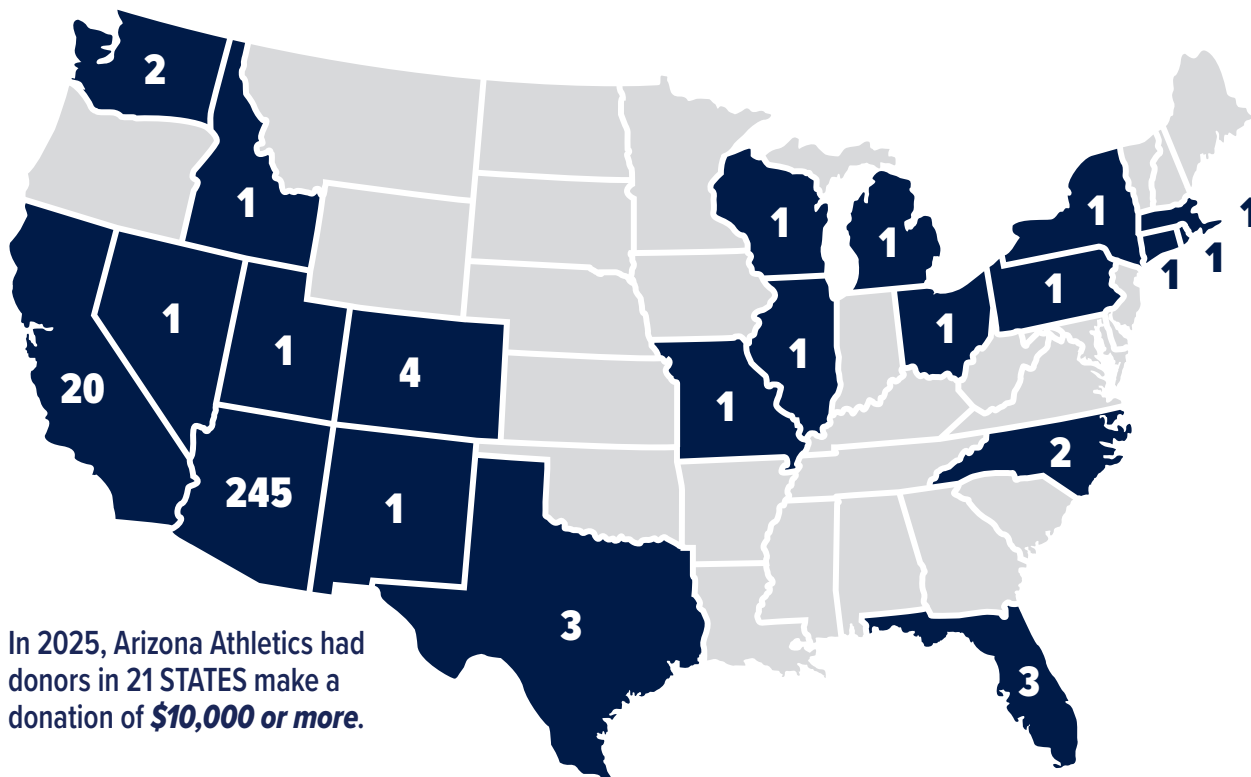

Guided by the Bear Down Blueprint, our strategic plan centered on competitive success, academic achievement, and holistic student-athlete development, we are laying the groundwork for sustained, long-term excellence. Realizing this vision depends on continued partnership with those who share our belief in what Arizona Athletics can be.

Your support ensures that our 504 student-athletes across 22 programs have access to world-class facilities, innovative resources, and meaningful mentorship. Every investment strengthens our programs, elevates our student-athletes, and accelerates the momentum we are building together.

We invite you to join us through the Saguaro Society and help shape the next chapter of Arizona Athletics. The future is bright — and together, we will continue to build something truly extraordinary.

TOP PRIORITIES

STUDENT-ATHLETE EXCELLENCE

Dedicated to creating a competitive edge for Arizona student-athletes, our General and Sport-Specific Excellence Funds are the driving force behind our continued growth and success. These resources provide immediate impact—enhancing training, nutrition, performance, and program development across all sports. Your investment ensures long-term stability and sustainability in a rapidly evolving college athletics landscape.

SCHOLARSHIPS & ENDOWMENTS

Graduating leaders is one of our core pillars at Arizona Athletics. To fulfill that mission, we must invest in the complete development of our student-athletes—academically, mentally, and personally. Scholarship support, both annual and endowed, provides the foundation for this growth. As a committed campus partner, we recognize that student aid and fees remain our largest investment, ensuring every Wildcat has the opportunity to excel in the classroom and beyond.

FACILITIES & CAPITAL PROJECTS

State-of-the-art facilities are essential to the success of our student-athletes and the experience of our loyal fans. Through the Arizona Athletics Facilities Master Plan, we are committed to modernizing our infrastructure to meet the demands of today and tomorrow. Your support of capital projects strengthens the foundation of our programs—creating spaces where champions train, teams compete, and the Wildcat community comes together.
